Module 5

Why?

*Message of His Holiness Pope Francis for the celebration
of the 52nd World Day of Peace, 1 January 2019*

“Politics is an essential means of building human community and institutions, but when political life is not seen as a form of service to society as a whole, it can become a means of oppression, marginalization and even destruction.”

*Message of His Holiness Pope Francis for the celebration
of the 52nd World Day of Peace, 1 January 2019*

Jesus tells us that, “if anyone would be first, he must be last of all and servant of all” (Mk 9:35). In the words of Pope Paul VI, **“to take politics seriously at its different levels – local, regional, national and worldwide – is to affirm the duty of each individual to acknowledge the reality and value of the freedom offered him to work at one and the same time for the good of the city, the nation and all mankind”**.

The fourth block is red with a white face, displaying a large white question mark. The blocks are connected by small black and white pins, suggesting they are part of a string or chain. The background is white with a faint, repeating watermark of 'depositphotos' and a diamond-shaped grid pattern.
